CHILDREN'S CONNECTION '08

ARLINGTON CONNECTION EDITOR STEVEN MAUREN
703-917-6431 OR ARLINGTON@CONNECTIONNEWSPAPERS.COM

Welcome

Dear Readers:

This week, the Arlington Connection turns over its pages to the youth and students of its communities.

We asked principals and teachers from local schools to encourage students to contribute their words, pictures and photos for our annual Children's Issue.

While we are unable to publish every piece we received, we did our best to put together a paper with a fair sampling of the submitted stories, poems, drawings, paintings, photographs and other works of art.

We will publish additional student writings and artwork on special pages periodically throughout the new year. We appreciate the extra effort made by school staff to gather the materials during their busy time leading up to the holidays. We'd also like to encourage both schools and parents to mark their 2009 calendars for November, when we will ask for submissions for next year's Children's Connection.

The Children's Issue is only a part of our year-round commitment to cover education and our local schools. As always, the Connection welcomes letters to the editor, story ideas, calendar listings and notices of local events from our readers. Photos and other submissions about special events at schools are especially welcome.

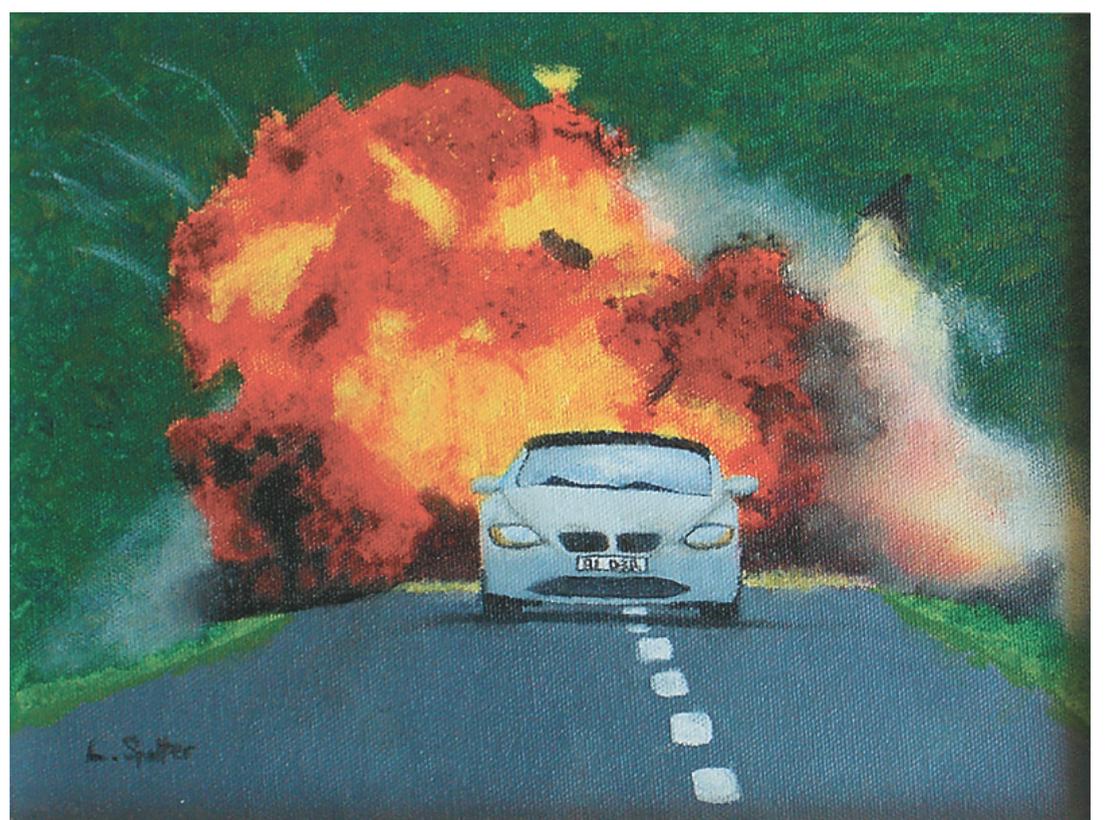

Send information to: The Arlington Connection, 7913 Westpark Drive, VA 22102 or send e-mail messages to arlington@connectionnewspapers.com. Call Assistant Editor Rebecca Halik at 703-917-6407 or Editor Steven Mauren at 703-917-6431 with any questions.

Caring for Your Family

BY PAOLA CAROLINA PALACIOS
CAMPBELL ELEMENTARY

Every child needs a family because if you don't have a mother to tuck you in at bedtime or a dad to read you stories or even a baby brother to cuddle with and drink hot chocolate with on snowy days, you will be sad. I assure you that you will be lonely. So, respect your family and give them love and you will see soon they'll give you love too. Don't hurt them and respect them always and soon you will see how happy you'll be.

Review of Guitar Hero World Tour

Guitar Hero World Tour is a great game. It's good to make a family spend time together. I would give it five stars. It is fun and it helps you with finger coordination. I would recommend it for everyone.

Scary

BY SHARIF SALEM
CAMPBELL ELEMENTARY

It was a dark and stormy night. I thought about Scary, my cat. He always jumped out of places trying to scare my pants off. I gazed up at the stars, all so shiny and bright. The wind whipped my face and at the same moment rain pelted my face. I hurried along, trying not to stumble over and lose my balance. Just then there was a loud CRASH! There was lightning shooting down from the sky. The then the loud CRASH came again. The light from the lightning blinded me for a split second until something knocked me off my feet. "Aghh," I yelled but I couldn't see what knocked me over because it was too dark. I thought it was a branch because the loud THUD, I thought it was a branch because the loud THUD that hit me right off my feet was real loud. Finally when I opened my eyes and there was a dark figure shuffling left and right.

"Scary, is that you?"

"Yip, yip," came the answer. I got up and picked up Scary. "Boy," you really scared me!" I said and walked home.

Book Review

BY LILY PATTON
CAMPBELL ELEMENTARY
"Love, Stargirl," 2007, 288 pages, 5th grade & up

If you're a fan of Jerry Spinelli and you're a girl, you'll love "Love Stargirl." "Love, Stargirl" is the sequel to "Stargirl." Stargirl Caraway moved from Arizona to Pennsylvania. She writes letters to her old boyfriend Leo Borlock. She meets a little girl named Doostie, a lady who is scared to go outside name Betty Lou, a girl named Alivina, and a boy named Perry.

I liked the author's idea about a girl who is very different from other girls.

"Love, Stargirl" is a great book. You should read "Stargirl" before you read "Love, Stargirl."

I am talking about a dog
no ordinary dog

a dog who's name will tie your
tongue in a knot

whose fur is so smooth and
shiny it glimmers in the light

whose tender paws have to
walk across concrete every day

a dog whose nose, so soggy and wet
barely
touches your hand while her hot
breath and
tongue lick it

whose bark is a whisper trying not to
disturb

whose tail is a windshield wiper
during a storm

a dog whose mind is still a puppy
but yet she is old

whose elbows have bare patches be-
cause
they're worn over the years

whose collar was flesh red but is now
dull

and a dog who has a heart full of
love, kindness, and memories.

STORIES OF ADVENTURE

Untitled

BY ALEXANDRA BURNHAM,
GRADE 2
ARLINGTON TRADITIONAL SCHOOL

Once there was a bad dad and a nice mom and they had eight children — two boys and six girls. The dad was not supposed to get married to her because there was a spell on her and the lady had switched places with someone else. This is where the story started. One day the dad was working on a plan in the basement while the kids were at school and the mom was upstairs. The children get out of school at 2:30 so the dad didn't have much time to work. The children came home. They went downstairs and they saw their dad and right in front of their eyes they saw that he was making a trap to catch them. They ran upstairs and told mom everything. The mom and eight children packed their bags and ran out the door. The mom drove all the way to Canada. When they got there, they figured out that the dad wasn't trying to catch them after all. He was trying to catch the robbers. So the mom and the children went back home and they lived happily ever after.

any superhero costumes. Then I saw a perfect costume, then I bought that costume. When I got home I wanted to go trick-or-treating and my parents said OK. That night I went trick-or-treating I went to a house that gave me 93 pieces of candy. Then I went to another house that gave me 4 pieces of candy. Then I went to a house that gave me 9 pieces of candy. Then I went home.

The Haunted House

BY ANDREW GRANADOS,
GRADE 2
ARLINGTON TRADITIONAL SCHOOL

The ghost zombies and bats were in the haunted house and grave yard in the woods. Wandering children got lost in the woods. The children wondered how to get out of the woods. They got out of the woods. They found the haunted house. They went in the haunted house. They saw the ghost zombies and bats. The ghost zombies and bats scared them. The children got out of the haunted house. The children used their map to go home.

The Time

BY FERRIS LINDE, GRADE 2
ARLINGTON TRADITIONAL SCHOOL

Maximum was a boy. He loved exploring. He also loved finding great treasures. He got an assignment once for homework. It was that he had to write about his best adventure ever. He only

had little ones so he didn't know what one to do. But he had only 30 days to finish it and he had woods that his mom and dad let him go into. When he was walking for a while, he spotted a boat next to a stream. He went in the boat and got in the stream. When he was in there for about 10 minutes the stream came to an end and there was a bridge that he crossed. He found that he was standing in a strange house. He had no choice. He went in the house. He saw a power ball. It let out a flash of lightning. He gained great powers and he made

a lightning sword. The pumpkin man and Dracula and Frankenstein all jumped out! They scared him. They said that he had to serve them breakfast, lunch and dinner or else. When he made them breakfast the next morning he took out his book that had a monster poison and he put it in their food when he made them breakfast, lunch and dinner. At midnight he poked his lightning sword in all of their hearts and they all died. When he got back home he wrote all about it.

The end.

Roxy the World's Greatest Dog

BY SAMANTHA HAGA, GRADE 2
MCKINLEY ELEMENTARY

My dog, Roxy, is so adorable! When I stroke her, she feels so velvety and warm. Her tawny fur is sleek and shines in the sunlight. Her collar goes clank, clank and her tail goes swishing while she clomps around the room. Sometimes fur flies into my mouth! It tastes fuzzy and dry.

When I wake up in the morning she's the first thing I see. Sometime I think she looks like a super-sized Reese's Peanut butter Cup. When I look into her eyes I see a butterscotch face looking back at me and a brownie-like paw shaking my hand.

I always look forward to coming home from school because Roxy is at the door ready to lick my face. I notice she smells like a warm, crackling fire and a bowl full of popcorn that's a little wet from being outside in the pouring rain. As you get to know my dog she gets funnier by the minute!! She rolls on the ground and nips at people! Ha! Gretchen (my twin sister) and I really laugh hard when she does that! Also when Gretchen and I do something that puzzles her, she turns her head sideways and squints her eyes at us! We call that her "tilt her head look."

Roxy is the greatest, cutest, and funniest puppy in the world!!! I really love that cute, sweet, and funny dog. If you knew her, you'd fall in love with her too!!!

A Growing Garden

BY ISABEL TATE, GRADE 2
MCKINLEY ELEMENTARY

When I go outside, I love to admire our tall corn growing in the back yard. It's as tall as my dad! It makes me think back to last spring when I planted the kernels with my mom. We worked so hard that day and now we're as proud as can be. We have herbs in our backyard, too. Our basil and thyme is so minty. (We use them in our homemade salsa.)

When I go to the front yard, I see the Johnny Jump-ups. They have the most beautiful purple and yellow colors that I've ever seen. On the side, we have cherry tomatoes. They're pretty small but very delicious. Once after we returned from a week at the beach house, we discovered that they were almost all spilt! The regular tomatoes survived, but we have to fight the squirrels to eat them.

I love my garden so much!

My Fabulous Dad

BY CARTER JONES, GRADE 2
MCKINLEY ELEMENTARY

My dad is fabulous. He grew up in Alabama. He played football in high school. He also played rugby in college. After that he was in the Marines.

My dad is very athletic. He likes to play sports with me. He especially loves to play a game we invented called the field goal game. We created it

by putting up goals made from croquet sticks. We also like to play football, soccer, and baseball.

I love my dad. On my birthday he got me a play station! We enjoy playing together. The NCAA Football game one of our favorites. He also likes to look at my football cards with me.

I sure do enjoy playing with my dad.

Andy's Splendid Blanket

BY ANDY KENNEDY, GRADE 2
MCKINLEY ELEMENTARY

My blanket feels warm, soft, smooth, and cuddly. It is white on one side and light brown on the other. It also is big enough to cover my bed. It makes an air swishing sound when I run around the house with it like a cape. (I'm usually pretending to be General Grievous.) Sometimes I make a pile of stuffed animals and cover them with my blanket. At other times my brother, Joey, joins in on the fun. My blanket is very special to me.

Cloud-Watching

BY STEVIE HECKMAN, GRADE 2
MCKINLEY ELEMENTARY

Clouds can look like real things or imaginary things. You might see an enormous white caterpillar and a few moments later there might be a donkey/cow! Then wait until late afternoon, and they are pink, blue, and even purple.

Clouds are thousands of tiny silent specks of water hanging in the air. But they can become little drums when it rains. Clouds are precious, if you take time to cloud-watch.

My Playful Dog Daily

BY BRIDGET FLYNN, GRADE 2
MCKINLEY ELEMENTARY

My dog, Daily, is soft and furry. When I come home from school her nails clickety click across the living room to greet me at the door. Her panting body says, "Pet me, pet me! I'm so glad you're home." She is part German shepherd and part mutt. She has pointed ears brown fur and a long, thick, furry tail.

She was a rescue dog as a puppy. She arrived in a box of daily newspapers. That's how she got her name.

Sometimes she jumps on my bed. I love to snuggle with Daily! She is such an important member of our family. She even has her own Christmas stocking. On Christmas morning I give Daily her goodies and she jumps for joy! I love Daily!

Molly Was a Sweet Dog

BY GRIFFIN BAILEY, GRADE 2
MCKINLEY ELEMENTARY

Molly was a sweet dog. She had velvety ears and a wet nose. Molly was a big, brownish-yellow Lab with a long, happy tail. She would cuddle with me when there were storms. When I had nothing to do, she would play chase with me. She did have a few bad habits, and barking too much was one. Her barking never bothered me, but it sure did upset the neighbors! They would send letters to my parents complaining about her barking. Sometimes we'd get three or four letters a week. Sweet old

I came here not really knowing what to expect, but now, looking back, I realize that I couldn't really see the person I would become. Because of everything I've learned at Madeira, I've started to become the person I always wanted to be.

THOUGHTS ON CANDY

Delicious Tootsie Rolls

BY OWEN PLIMPTON, GRADE 2
MCKINLEY ELEMENTARY

Candy is simply delicious! The taste of forbidden sweetness makes my taste buds smile. (Texture is important to me,

too.) I love to eat chewy candy. My favorite kind is Tootsie rolls! Tootsie rolls are so satisfying.

At first they aren't that chewy but when you chomp down, after awhile they get just right. You can have them for desserts and at parties. I'm hoping to find them in my Christmas stocking this year.

I could eat Tootsie rolls all day! I think I should have a Tootsie roll-shaped toothbrush. Don't you?

My Magnificent Skateboard

BY JAKE HIBARGER,
GRADE 2
MCKINLEY ELEMENTARY

When I am on my skateboard my senses are turned up high. I can feel the sandpaper deck and the thumping of the wheels under my feet as I roll over the concrete. The twisting design of a cobra on the deck looks like it is ready to strike. There's even a burning smell from the hot wheels from going off the ramps. As I crash down to the pavement, I feel like my whole body has been blasted with excitement!

My Awesome Blanket

BY CAROLINE EDWARDS,
GRADE 2
MCKINLEY ELEMENTARY

My blanket is soft and fluffy. It smells like fluffy balls and it always feels friendly. My blanket is purple and it has a special message written on it to comfort me at night. It says, "Sweet dreams, Caroline," followed by a heart. Then it says, "Sweet dreams, Caroline," again and again. I'm so glad I have my awesome blanket.

My Fantastic Snuggly Bed

BY LILY KLEYMEYER,
GRADE 2
MCKINLEY ELEMENTARY

My bed makes a rustling sound when I curl up. When I walk into my bedroom, my flowery bed invites me to stay. There, right in the middle is my name, Lily, written in lavender. Next to my name is a white lily flower. The colors on the quilt of my bed are, blue, white, lavender, purple, black, navy blue, pink, yellow, and green. Also, the quilt is colorful on one side and blue on the other. These are the shapes of the patches, rectangles, and squares. My quilt was made by my grandma, and she imprinted a note in one of the corners that says, "Dear Lily, this quilt is made special for you by your grandma who loves you a million bushels and who will love you forever." When I read that note, it makes me feel wonderful! I just love it. When I see my bed it makes me smile!

My Cat Calypso

BY COLE, GRADE 2
MCKINLEY ELEMENTARY

My cat Calypso meows and meows all day. She irritates me when I am doing my homework.

Calypso feels soft warm and cuddly. She is so adroable when she pounces on my finger under the covers. She has blackish grayish fur and green eyes.

And boy does she have an appetite! Whenever she sees me she meows for me to pet her. Even though I can't understand cat, I know what she is saying.

I love my cat.

My Dog Blanche

BY BENJAMIN FOSTER,
GRADE 2
MCKINLEY ELEMENTARY

"Arf, arf!" My dog Blanche is trying to tell me that she wants a treat. I tell her, "Roll over," and give her a Milkbone. She's a small, black dog with floppy ears and a lively tail. When I pet her tummy it feels like a smooth blanket. Her toes smell like fresh popcorn. When she shivers she wiggles and I snuggle with her to keep her warm. Blanche sure is a sweet dog.

Res-qu

BY DONNIE BROWN,
GRADE 2
MCKINLEY ELEMENTARY

Res-qu is my stuffed animal. He is loveable. Res-qu is mild, brown 'n' white. He is my dream catcher and my favorite item. He is perfect. Res-qu loves me I love him, too.

My Family's Friendly Brown Couch

BY RYAN DODDS, GRADE 2
MCKINLEY ELEMENTARY

My family and I have an extremely soft, brown couch. It's so comfy that

once we sit down, we don't want to get up! It has an interesting texture that reminds me of a new basketball. On Sundays, I like to plunk down and watch the Redskins battle for victory. My family and I order fresh, cheesy pizza and demolish a bowl of chips. The TV is loud and when we add our cheering, the whole couch shakes with joy!

My Playful Cat

BY JESSE BLOOME, GRADE 2
MCKINLEY ELEMENTARY

"Pur-r-r-r." That's what I hear when I'm petting my cat, Sally. She's so happy when I stroke her furry body. She is black and white with a little spot on her chin. Sometimes she comes to me and curls up to cuddle. She looks so cute when she does that. She also likes to go outside. Sally is quite a hunter. She has brought us chipmunks, moles and birds. (She's very proud but we're pretty grossed out.) Whenever I leave, she meows for me to come back. I surely love my rascal of a cat.

My Playful Dog Scout

BY HANNAH ROSMAN,
GRADE 2
MCKINLEY ELEMENTARY

My dog's name is Scout. He is black with white spots and his belly is gray. His fur feels soft and silky. Scout is velvety and so cuddly. Although he's small, his bark is loud and shrieky. He is my age (eight), but he is very lively. Dancing with me is his favorite thing to do. I

Thomas F., Grade 7,

put on something jazzy and he springs up and shakes down. I think everyone should have a dog like Scout. Don't you?

My Wonderful Couch

BY JONAH MARGOSIS,
GRADE 2
MCKINLEY ELEMENTARY

I enjoy my wonderful couch. It is white with a little gray. It makes a bad sound when I scrape it. But I like it anyway. My couch is comforting, because it is warm and almost like my bed. The last great thing about it is that it is good for watching TV. I have fun on it when I am watching *Sponge Bob*, because I have the whole couch to myself!
